### **Webmaster:**

I had the opportunity to create, what I thought was, an informative and user friendly website for BPW Tennessee ([BPWTN.org](http://BPWTN.org)). I hope I added items in a timely manner and kept the website up to date. Three locals sent me their newsletters for the website; Thank you to Greater Nashville, Jackson Area, and Rockwood BPW. Presenting BPW information for the public is not a simple task. I hope I have met the expectations of the webmaster, and I thank you for allowing me the opportunity to share my ideas with you.

Website activity from July 6, 2012 to date reflects over 24,540 hits.

Several new members joined BPW because of researching BPW on the website.

### **Historian:**

The history of our organization is so very important and we need to pass on this information to future generations. Please read Chapter XXII to see how you can be a part of BPW TN History. I have been to the TN Archives for research already, and I am excited about the opportunity to help preserve our BPW TN History.

### **Achiever Editor:**

As the Achiever Editor, I sent out the newsletter each month.

I hope receiving the newsletter each month provided BPW information in a timely manner and was interesting and helpful, and also kept you up to date on the BPWTN Happenings. The Achiever was posted on the website the first of each month.

The monthly cost for mailing out 14 to 18 Achievers saved BPWTN money, and BPWTN will be able to use these funds in other areas to better promote the Business and Professional Women of TN.

Thank you for your continued support and for allowing me to serve as the 2012-2013 BPW TN Newsletter Editor
