Established in 1956, Business and Professional Women's (BPW) Foundation became the first foundation dedicated to conducting research and providing information solely about working women. Today, BPW Foundation is transforming workplaces by focusing on issues that impact working women, families and employers.

## **Vision**

To partner to create successful workplaces for women, their families and employers.

## **BPW Foundation Mission**

To empower working women to achieve their full potential and to partner with employers to build successful workplaces through education, research, knowledge and policy.

## **History**

The legacy of Business and Professional Women began in 1919. While the organization has transformed over time, the legacy and vision of Working Women Helping Women Work remains intact.
