Sharon Taylor-Carrillo, BPWTN Region II Director

Renewal House provides Nashville's first, largest and most comprehensive residential recovery program for addicted women and their children -allowing families to restore, renew, and recover their lives *together*.

The program's three primary goals are:

• Break the cycle of substance abuse and dependency within families

 Decrease substance-use and reduce substance-use relapse

Facilitate successful family
reunification

2014 Day on the Hill

Greater Nashville BPW member Susan Jakoblew and several other BPW members from across the state were able to attend the BPWTN 2014 Policy and Action Day on the Hill which was held on Wednesday, February 26th in Nashville, TN , Lobbying with senators and representatives is always the highlight of the day.

We had a photo with Governor Bill Haslam and Speaker Beth Harwell was impressed with the standing room only group of ladies from BPWTN, TN Women's Political Collaborative, TN Economic Council, and Women's Political Caucus.
