WORDS FROM THE EDITOR

This is my first newsletter of the second year. I've made mistakes and accomplished a lot this last year. As newly installed BPW/TN State Secretary, I have already started the process of preparing notes for my successor. I realize that this is premature, but one's needs to think forward in order to solve the present. Good learning curve for me as I hope to go up the line in the future.

I look forward to the new year. Next month is Membership Month. We will have a Luau and socialize before the meeting with a Buffet Style meal then conclude with business. This is an opportunity for all of us to talk and welcome potential new members. We need to market our group and do social networking to get the leaders of tomorrow in our group today.

Lee Ann Gaddis

Any corrections or extra information given after this newsletter has been issued will be duly noted and expressed in detail in the next issue.

Thank you for your time and energy.
